@ParamedicComp

The **Interdev National Paramedic Competition** is to be held on Saturday, April 9th, 2016 at Durham College Oshawa Campus (2000 Simcoe St N, Oshawa, ON ). The event challenges teams of paramedics from across the country and around the world to put their medical knowledge and skills to the test in a competitive format, with teams facing off to prove they are the best paramedics in the country.

We invite the media and public to attend the competition and see Canada's paramedics in action. Most scenarios will be open for public viewing. Competitors will be available before and after the competition. Members of the competition committee will be available throughout the day for information. Local dignitaries will be on hand in the morning to deliver opening remarks and to watch some of the events based on their individual schedules.

Media inquiries may be directed to Mike van Mil at the email address above. More information is available on the competition website at [www.ParamedicCompetition.ca](http://www.ParamedicCompetition.ca)
