Paramedic Services Director and Chief Announcement

To Our Valued Partners,

Following a significant recruitment process which included external partners, I am pleased to announce the appointment of Ms. Sarah Mills as the new Director and Chief of Paramedic Services for the County of Simcoe.

Ms. Mills brings a wealth of experience and knowledge having successfully taken on progressively responsible leadership positions during her 20-year tenure including those held with York Region, the District of Muskoka and the County of Simcoe.

Ms. Mills is a graduate of both primary and advanced care paramedicine programs, holds a bachelor's degree in health administration, and has acquired additional certification and expertise in Infection Prevention and Control from Queen's University.

We are thrilled with the level of experience and expertise that Sarah will bring to this role, along with her collaborative and progressive leadership style. We were very fortunate to have the ideal candidate within our current operations and truly believe that the level of integrity and commitment that she possesses will serve us very well into the future.

Please join me in congratulating Chief Mills as the new County of Simcoe Director and Chief of Paramedic Services.

Sincerely,

A handwritten signature in black ink, appearing to read "Jane Sinclair".
